## Marshall Municipal Utilities Announces Employee of the Quarter

*MMU has announced Michaela Niederjohn as their Employee of the Quarter for the quarter ending September 30, 2022.*

---

**November 17, 2022:** Marshall - Marshall Municipal Utilities has announced Michaela Niederjohn as their “Employee of the Quarter” for the quarter ending September 30, 2022.

In nominating Niederjohn, Underground Facilities Director Grant Piper highlighted Niederjohn’s work on MMU’s American Rescue Plan Act (ARPA) funding application.

“Michaela’s work on the ARPA funding application was top notch, it was well thought out and very professional.” Piper continued, “Michaela’s work ethic is second to none and her desire to be perfect in every task is a true asset to Underground Facilities and all of MMU.”

In conclusion, Piper said, “Michaela’s willingness to take on each and every assignment with forward thinking and professionalism makes her a great candidate for Employee of the Quarter.”

Niederjohn first joined MMU in August 2016 as a Meter Reader but soon thereafter accepted a promotion to Water Treatment Plant Operator. In December 2018, Niederjohn stepped away before returning in August 2019 as GIS/Records Associate in MMU’s Underground Facilities department; she continues to hold that position today.
