Marshall Municipal Utilities Announces Employee of the Year

MMU has announced Mary Findlay as their Employee of the Year for the fiscal year ending September 30, 2022.

December 11, 2022: Marshall - Marshall Municipal Utilities has announced Mary Findlay as their “Employee of the Year” for the fiscal year ending September 30, 2022.

In nominating Findlay, Underground Facilities Director Grant Piper highlighted Findlay’s contributions in Underground Facilities.

“Mary has developed a training manual for the task of meter reading and shows excellent ability in conveying that information.” Piper continued, “Mary is willing to tackle any task given, this along with her can-do attitude makes Mary a versatile employee.”

In conclusion, Piper said, “Mary is a great asset for both the Underground Facilities department and MMU as a whole.”

Findlay joined MMU in March 2020 as a General Maintenance/Meter Reader. In October 2021, Findlay was promoted to Maintenance in MMU’s Underground Facilities department; she continues to hold that position today.
